

SPONSORSHIP FORM

**DESTINATION
SEGUIN**

The 21st Annual Pecan Fest will be held on Saturday, October 24, 2026, and these festivities would not be possible without the vital support of our community sponsors. We hope you will consider partnering with us this year to ensure a successful event that everyone can enjoy. Your sponsorship is an investment in our growth, allowing us to make the festival bigger and better with each passing year. These funds will support essential publicity, signage, and decorations, while also providing enhanced entertainment like larger musical acts and family-friendly inflatables. Most excitingly, your support will help us facilitate the closing of Austin Street, creating a pedestrian-friendly atmosphere for a truly memorable day in the heart of our community.
